STARRING

Marvelous Mia

Daily Bugle photographer Peter Parker's trip to the Florida Everglades is about to take a turn for the worse.

I bet the Lizard didn't expect Spider-Man to be on board.

Sorry, Lizard, but I
can't let you go
rocking the boat.

Hi, Spidey. I was in the
area and thought you
might want a hand with
fall, dark, and scaly.

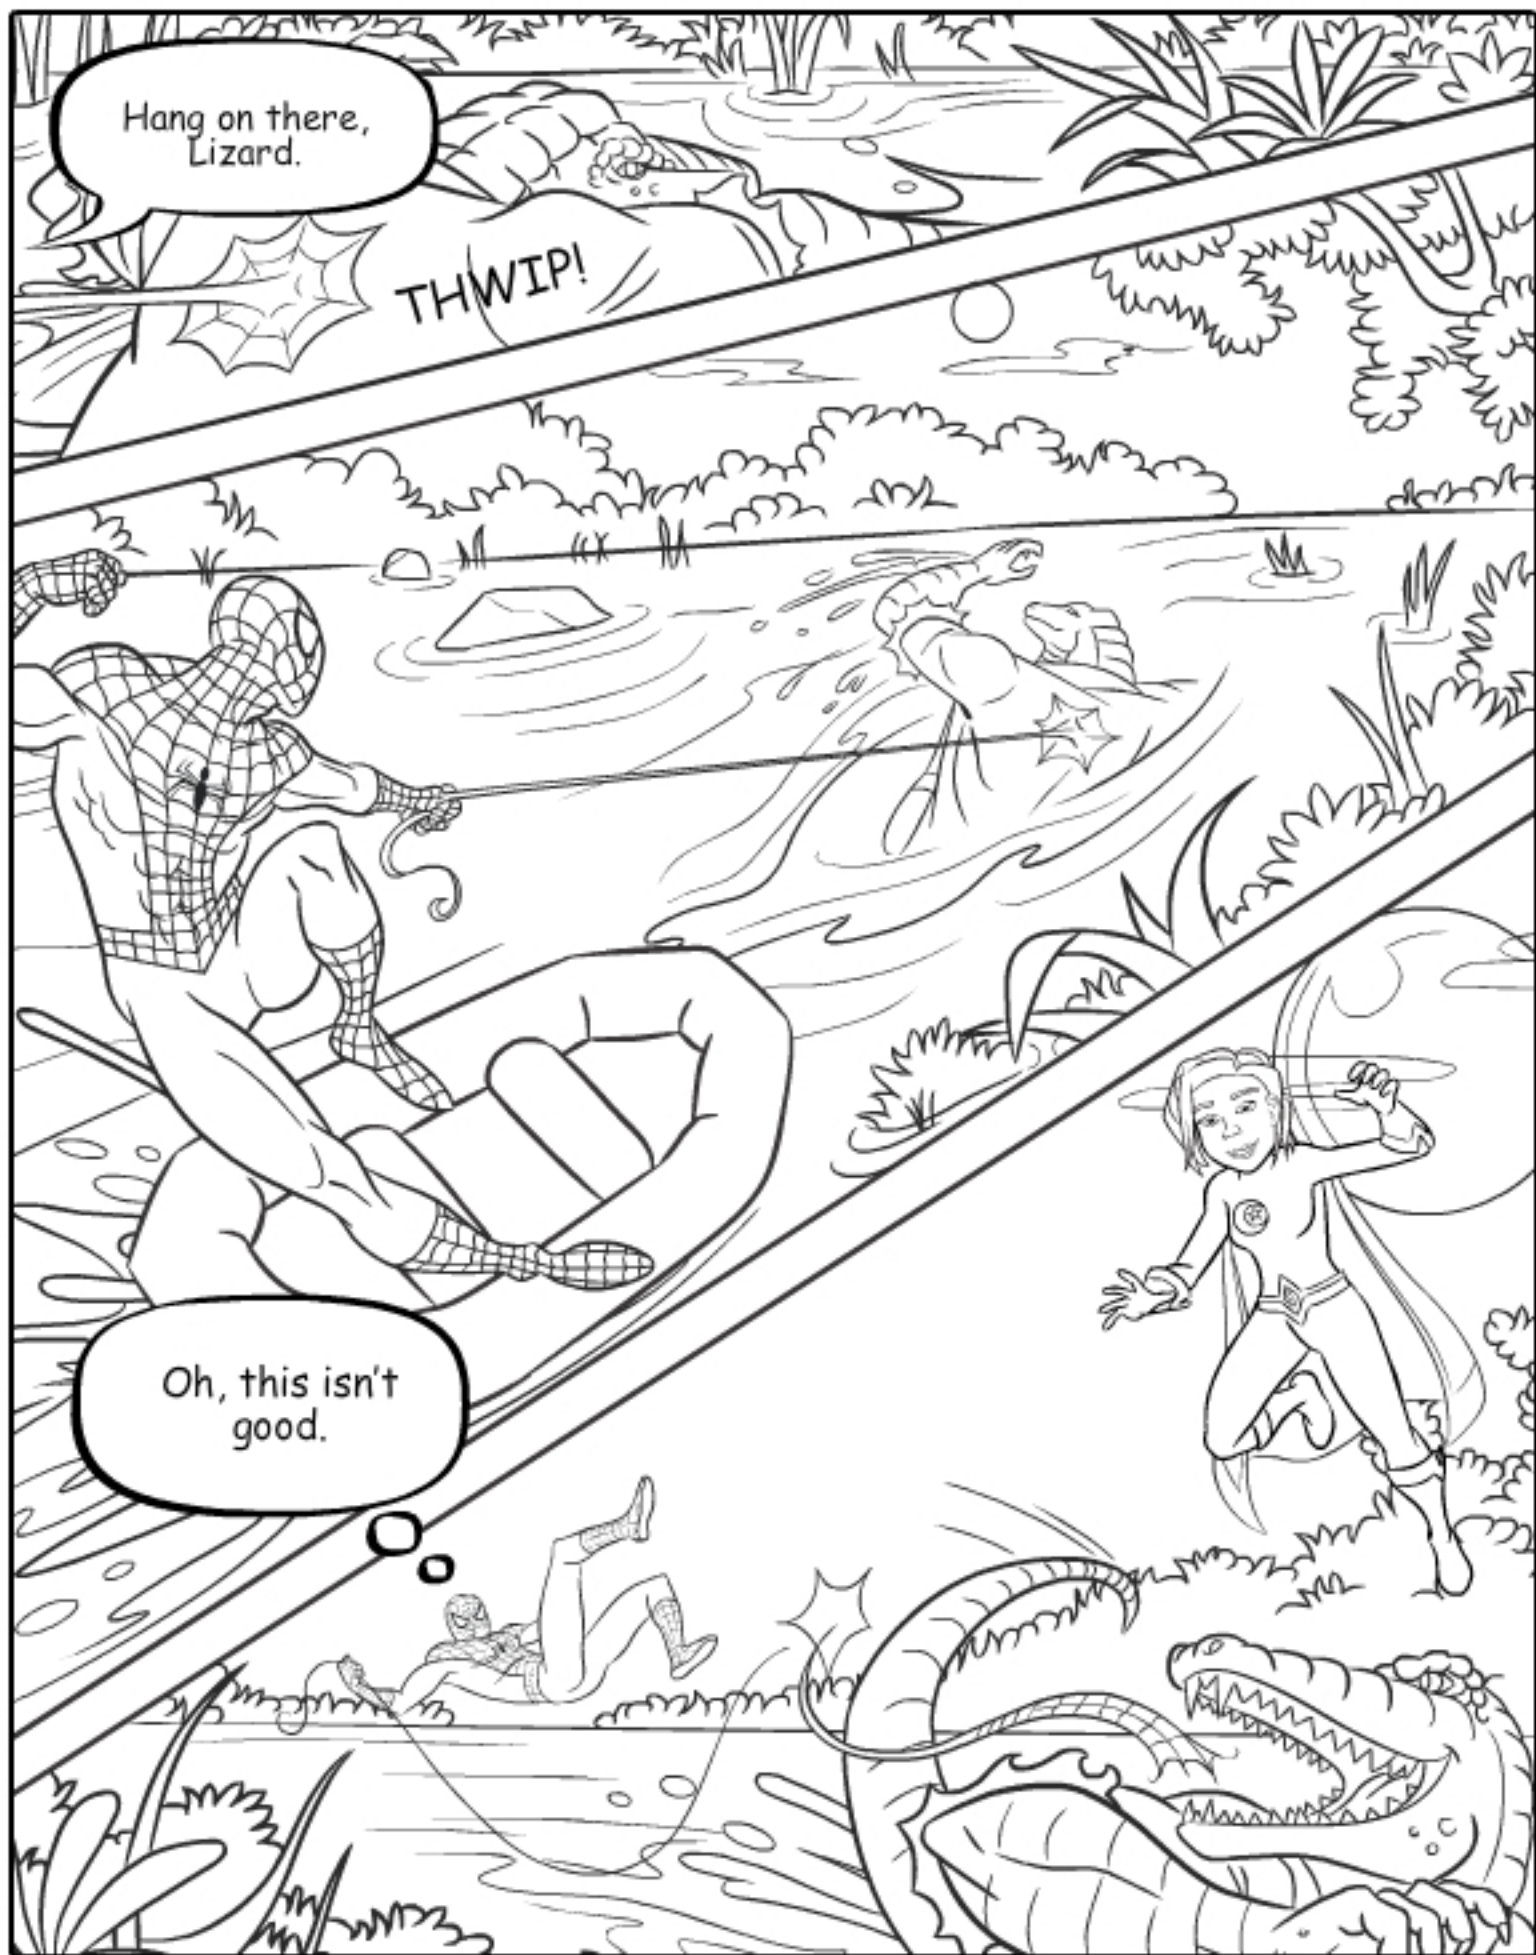

Spider-Man!

Hang on there,
Lizard.

THWIP!

Oh, this isn't
good.

Hang on, Spidey!
I've got you.

Thanks for the lift,
Marvelous Mia.

Leave me alone
Spider-Man. This is
your last warning!

...you were saying?

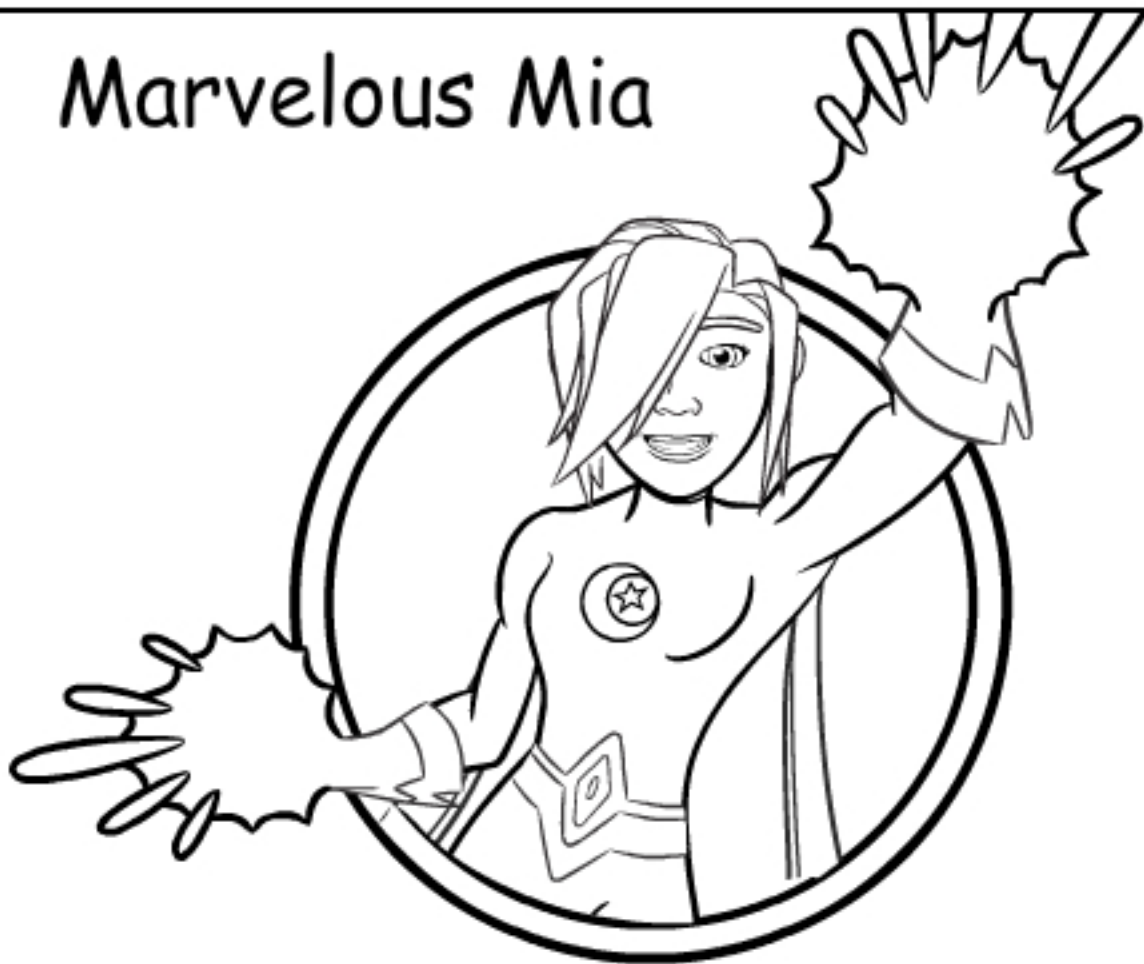

This should slow
you down, Lizard.
